Purpose and services of agency: To care for children through group living supervised by house parent couples. Residents attend public schools with tutoring assistance provided by the campus and local teachers. Special training opportunities provided on campus include a work for pay program, vocational training, leadership challenges, and an emphasis on independent living for older youth.

The Owasso Campus includes a maternity services program that provides out of home placement for pregnant adolescent girls, adolescent mothers wanting to parent, and young mothers over the age of 18 who are in need of residential, educational, and vocational assistance. The programs focus on parenting training and independent life skills training to help the residents prepare for independence. The program provides assistance to girls and their families whether they plan to place the child for adoption, to parent the infant or need reunification of adolescent and baby with family.

Area served: State of Oklahoma.

Eligibility: Children ages 5-17 who are currently enrolled in school. Legal guardian must be an Oklahoma resident.

Application procedure: Complete and return application; when opening is available, intake interview will be scheduled and admission decided.

Purpose and services of agency: The purpose of ASD is to assist elderly Oklahomans to secure and maintain maximum economic and personal independence with dignity. Many ASD programs are implemented through eleven area agencies on aging and administered at the state office level. Local services through the DHS county offices include the employment of nurses who assess the needs and plan the personal care services of clients in their own home. They also monitor the care given the client. The nurses assist Family Support Services with the investigation of adult abuse.

Area served: Services available in all 77 counties.

Eligibility: Determined by interview and verification of facts presented.

Application procedure: Intake done by nurses in each county office.

Fees: None to DHS Agency. Some personal care and nursing home patients are responsible for various amounts of co-payments.
